The logo for TILEXA CERAMIC features a stylized 'F' icon composed of black and red geometric shapes. Below the icon, the word 'TILEXA' is written in a bold, black, sans-serif font, with a small trademark symbol (TM) to its upper right. Underneath 'TILEXA', the word 'CERAMIC' is written in a smaller, black, sans-serif font.

TILEXA
CERAMIC

The ceramic era inspired the idea of the Matt collection, which combines visual complexity the quality of the "aged" ornamental and the linear severity of the geometric de-cows. Soft beige and gray tones, a panel with a multi-layered floral pattern design and water color stripes of decorative elements everything is created to create a calm yet brightly individual interior with interesting ac-cent parts.
